

SoftwareFreedomDay

10 September 2005

- Tired of high software costs?
- Interested in Linux? Or curious about it?
- Looking for free, reliable software?
- Heard of Firefox? Open Office? Or the GIMP? Want to know more about them?
- Want a CDROM of free software?
- Want to meet others who are interested in these topics?

Software Freedom Day is being celebrated internationally and in Christchurch. Come to Avonmore Tertiary Academy, 202 Cashel Street on Saturday September 10th, between 10 am & 4 pm, to

- Try free software
- Score a free disk
- See demonstrations
- Get personal help
- Meet interesting people
